

# MBO Advantage

## Your Competitive Edge

Attract top-tier enterprise clients, build your project pipeline, and maximize the value of your expertise.

MBO Advantage gives you the competitive edge you need to engage with the Fortune 1000. Our experienced independent consulting advisors provide one-on-one support, guiding you every step of the way through the complex business decisions that directly impact your bottom line.

---

### Build For Scale

Structure and scale your independent business with help from MBO's dedicated advisors and exclusive teaming program.

- Business entity set-up, including Limited Liability Company (LLC) and Employer Identification Number (EIN)
- Comprehensive business structure review to ensure enterprise-grade compliance
- Go-to pool of top independent talent for outsourcing and project collaboration
- Digital presence strategy consulting and website polish

### Maximize Your Earnings

Match your expertise with the right opportunities and create more value in the marketplace.

- Customized contract review and project set-up
- Bill rate consultation
- Proactive account review
- Semi-annual strategic business review
- Vendor management assistance

## Minimize Administrative Work

Delegate non-core activities and free up time to reinvest into serving your clients.

- Integrated online portal for seamless reporting, invoicing, collections, and project time and milestone tracking
- Experienced business admins available for back office management (up to 10 hours per month)
- Ongoing tax guidance and quarterly estimate preparation via MBO's tax professional network
- Exclusive benefits with premium partners including Taxfyle, Bunker, Legal, Inc., Squarespace, and QuickBooks

## Network, Connect, and Grow

Get preferred access to new project opportunities and collaborate with our community of top talent.

- Talent advocates provide strategic promotion for your business and match you with hand-selected, enterprise-level projects
- Premium placement and visibility in the MBO marketplace, our proprietary network of top enterprise consulting opportunities
- Private Advantage member community with exclusive events and content
- Optional advisor-based sourcing to grow your team

---

MBO Advantage membership is available by invitation for seasoned independent professional executives.

Pricing starts at \$99 per month with six-month minimum service commitment, plus 5% fee on billings to out-of-network clients, 2-3% transaction fee, and optional team sourcing fees.
